

Text to Image

A cute cat, hanging a card that only says 'OmniGen', quality details, hyper realistic, high definition.

A young woman with fair skin and blonde hair, dressed minimally, against a magenta background. Hair pulled back, serene expression, light brown eyes, natural eyebrows, well-structured nose, pink lips, touching cheeks gently.

A person, wearing a straw hat, walking in a large lotus leaf, lotus seed and lotus flowers, water surface, surrealist style, minimalist, Chinese aesthetic, clean background, ultra-high detail, 3d rendering
